

Congratulations on the expectancy of your beautiful baby.

We want to encourage and support you as you travel the road of parenthood. The Bible says, "A little one shall become a thousand, and a small one a strong nation...." (Isaiah 60:22) There is great potential in the precious life held in your womb. Only the Almighty knows the full potential that your baby will reach, but the exciting news is that you are partnering with Him as you carry and deliver your baby, and as you raise him or her to live a full and glorious life.

If you would like to receive a written blessing for your baby, please fill in any of the following information that fits your situation or that you are comfortable with submitting, and mail it to: Love The Unborn Babies ~ 12 Harmony Road ~ Cambridge, Maine 04923 .
